

NIKHIL LOHMOD

WEB DEVELOPER

An organized, detail-oriented, and fast learning self-starter, able to strategize and emphasize effectively to accomplish multiple tasks and stay calm under pressure. Looking for a job opportunity where I can contribute well towards my personal as well as organization's goals.

EXPERIENCE

Fresher

GRADE 12

I did grade 12 from RK Public School GGN, Hr.

2021-2022

I gained knowledge in the areas of time management, interpersonal skills, self-confidence, presentation skills, I like to crave new thing in my life and creative writing.

PURSUIING GRADUATION

I'm pursuing my graduation from IGNOU (Indra Gandhi National Open University)

2022-Present

BAG (Bachelor's In Arts) with the skills time management, and interpersonal skills.

DICE ACADEMY

Full Stack Developer

2023-2024

I learned HTML, CSS, JavaScript. It has also taught me discipline, determination and to be a goal oriented person and I have also worked on many projects like creating Figma & Colorlib website and many more websites.
